

HIGH SCHOOL NOTES

By Burt Johnson.

Some rules are now being enforced in the high school relating to conduct between classes, before session, in the corridors and in the study hall. These regulations are observed in all the larger high schools.

Mr. Seamster has started a class to aid the physical condition of the boys in Central school. The boys are weighed, measured and examined at regular intervals. In this way the weaker and smaller ones have as much opportunity to show advancement as any others. They are planning to have outdoor sports using the high school as headquarters. They will use the showers, a room in the basement and the track if the plan carries through.

School will not be taught on the 24th and 25th of November. Friday, the 25th is a regular school day but a holiday will be proclaimed on that day and not on Washington's birthday.

The grade schools are centering their interest on Thanksgiving and the early history of the New England colonies. In some instances the reading, spelling, writing and language periods are being devoted to the study of the Pilgrims.

Monett's debating team will uphold the negative in the inter-high school debates this year. The first debate for Monett will be on January 6 with Springfield. Noveta Brown and Louis Bounous, who are the team, have been collecting material and organizing their work for the last several weeks.

The educational department made an observation trip to Central school. They observed Mr. Seamster's classes in reading, writing and spelling and Miss Burke's class in geography. They were much impressed with the order in the Junior High and feel that the faculty and students should be commended for their fine behavior. They received many helpful hints in the subject of "questioning" especially in reading.

KEEP THE KIDNEYS WELL
Health is Worth Saving, and Some Monett People Know How To Save It.

Many Monett people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slight delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is a Monett citizen's recommendation.

Mrs. Fred Cooper, 1103 Bond street says: "I had a heavy steady ache in my back and when I stooped or turned sharp pains would shoot through me. I felt all tired out and had terrible aches and pains in my head and became nervous. Often my eyes were affected when black spots came before me. My kidneys acted irregularly, but I got Doan's Kidney Pills at McKee's Drug Store and used them. They gave me complete relief." (Statement given April 5, 1916.)

On January 28, 1920, Mrs. Cooper said: "I haven't had need of a kidney remedy since giving my former statement and give the credit to Doan's Kidney Pills."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Cooper had. Foster-Milburn Co. Mfrs., Buffalo, N. Y. Adv.

THE MARSHALL HILL MEETING

The five weeks revival meeting that has been in progress at the Methodist Protestant church on Marshall Hill is continuing. Two services are held each day at 2 p. m. and at night. They are largely attended.

One hundred old and young have accepted Christ during the meeting. There have been forty-nine additions to the church and nineteen candidates received the ordinance of baptism at the Red Mill near Verona Sunday.

Rev. M. J. Combs and Rev. Albion Erickson deserve much credit for their untiring zeal and the people should rejoice that a great religious wave is sweeping over their town. 118tf
